PRODUCT DESCRIPTION

Ideal for everyone and for daily use, Thinker Focus Blend is the optimal support to use when distractions are high. Designed to promote a sense of alertness and clarity, Thinker is the perfect go-to when it's time to pay attention and concentrate. Featuring Vetiver, Peppermint, Clementine, and Rosemary perfectly combined with Fractionated Coconut Oil for sensitive skin, Thinker is a natural way to feel more alert. Roll Thinker onto your temples, wrists, and the back of your neck to help bring a sense of clarity to the situation at hand. Embracing the uplifting benefits of Clementine, Thinker helps to support efforts to stay on task. Herbal and slightly sweet, the unique aroma helps instill feelings of clarity during times of confusion. To create a supportive and positive environment for enhanced creativity and focus, incorporate Thinker into your daily learning practice.

USES

- Keep Thinker on hand in your purse or child's backpack and apply in the afternoon to remain on task and focused.
- Use Thinker when you need a boost of positivity.
- Promote learning and support creativity by applying Thinker throughout study time.
- Roll onto wrists or hands and inhale to promote a sense of clarity.
